Boston Duck Tours hit with Wage Act suit

April 21st, 2010 | by noahs |

Shannon Liss-Riordan and her crew at Lichten & Liss-Riordan have a new target: Boston Duck Tours.

The Boston lawyer, who has successfully represented skycaps, strippers, Hilltop Steakhouse wait staff and cleaning franchisees, now accuses the Duck Tours operators of failing to pay their employees — “Tour ConDUCKtours” — overtime wages.

In her April 15 suit, Liss-Riordan accuses the company of failing to distribute tips and services to the drivers and of not paying them overtime and other wages.
